

Public Comment Form

Draft Environmental Assessment for the Saline Valley Radar Facility Project, Saline Valley, California

Thank you for your interest in the Edwards AFB Saline Valley Radar Project. You are welcome to express any concern, comment or suggestion about the proposed project to the Air Force before the completion of the formal public review process for the Environmental Impact Analysis documentation. To submit anything in writing, please use this form. You may add additional pages as necessary. When you are finished, mail it, or fax it to (661) 277-6145. To mail, please fold it in half with the return address showing on the outside, tape it closed, and affix appropriate postage. You may also e-mail comments to gary.hatch@edwards.af.mil.
